

Filling out your census form means more...

Jobs. Schools. Roads. Hospitals.

Stand up and be counted!
Complete and return your census form.

Census forms will be mailed to our homes starting in March. By answering 10 simple questions you can help improve our schools, public safety, roads and hospitals, provide jobs and job training programs and much more. Take time to make a difference for our community by completing and returning your form. The information you provide is safe. By law, the Census cannot share your answers with anyone, even other agencies.
